Hi Leslie, yes I can give you a call, I'm dealing with getting into our building which is apparently now near impossible if one forgets ones badge when one switches to a new backpack. Not a great start to a Monday, will call asap.

Hi Alexa – do you have a few minutes to talk about the AG AE and CBD's request? (Don't you love acronym-speak?!!) I'll be calling into the meeting but would love to touch base with you first. I'm working at home [REDACTED]
